

TED ED CLUB:
WILBURN FELLOWSHIP

Cece Challe and Eva Pace

OUR OWN "TED-TALK" EXPLAINING WHY WE'D LIKE TO WORK WITH THE WILBURN FELLOWSHIP

TED ED AT NCHS

The Ted Ed club officially started
Fall of 2015. Earlier this year we went to
a TedX Youth Event and saw many
inspirational speakers.

OUR PLAN

We would like to host a Ted Talk Youth Event of our own where the sole theme would be talking about differences. We would invite schools from all over the tri-state area to participate.

EXECUTION

Where: NCHS Stage

When: Late this school year, or early next

Who: Ted Ed Clubs from schools in NY, CT, and NJ.

Why: If teens can hear one another talk openly about their differences, it will allow them to see how invalid stereotypes are.

How: With the Wilburn Fellowships funds, we will be able to pay for things such as the stage set up, food/water, and recording equipment (so we can broadcast the talks on the TED ED webpage).

WILBURN FELLOWSHIP

We would be very interested in working with the Wilburn Fellowship on our project, because we feel that the fellowship will help direct our club to exposing differences.

THANK YOU FOR CONSIDERING “TED-ED”

WE HOPE TO HEAR BACK FROM YOU SOON!
